Phnom Penh, October 06 , 2014

Subject: Endorsement/Approval of Safeguards Documents for the Urban Water Supply Project (CAM 41403)

Dear Sir/Madam:

As Executing Agency, the Ministry of Industry and Handicraft (MIH), hereby endorse the following safeguards documents to ADB:

1. Resettlement Due Diligence Report for Kampong Cham
2. Resettlement Due Diligence Report for Kampong Thom
3. Resettlement Due Diligence Report for Kampot
4. Resettlement Due Diligence Report for Pursat
5. Resettlement Due Diligence Report for Siem Reap
6. Resettlement Due Diligence Report for Sihanoukville
7. Resettlement Due Diligence Report for Stoung
8. Resettlement Due Diligence Report for Stung Treng
9. Resettlement Due Diligence Report for Svay Rieng
10. Initial Environmental Examination (IEE) and Environmental Management Plan (EMP) for Kampong Cham
11. Initial Environmental Examination (IEE) and Environmental Management Plan (EMP) for Kampong Thom
12. Initial Environmental Examination (IEE) and Environmental Management Plan (EMP) for Pursat
13. Initial Environmental Examination (IEE) and Environmental Management Plan (EMP) for Siem Reap
14. Initial Environmental Examination (IEE) and Environmental Management Plan (EMP) for Stung Treng
15. Initial Environmental Examination (IEE) and Environmental Management Plan (EMP) for Svay Rieng
16. Environmental Due Diligence Report for Kampot
17. Environmental Due Diligence Report for Sihanoukville
18. Environmental Due Diligence Report for Stoung

These documents were prepared in accordance with ADB SPS 2009 and other ADB requirements.

Furthermore, applicable government permits and clearances, will be obtained as committed in the IEE Reports and other safeguards documents before loan prior to bidding.

In case of any design revisions, changes in subproject locations and/or implementation arrangements, the safeguards documents will be revised/updated in compliance with ADB SPS 2009 to ensure minimum adverse impact and re-submitted to ADB for approval.

In compliance with ADB's Public Communications Policy (2011), the captioned documents may now be disclosed on the ADB website. The safeguard documents may be amended during the detailed design and/or project implementation, as required, in compliance with ADB SPS 2009 and other applicable requirements.

The safeguards documents have will be disclosed in the website of MIH to potentially affected persons in the project area.

Please accept, Sir/Madam, the assurance of our high consideration.

Sincerely,

Cham Prasidh
Senior Minister, Minister of
Ministry of Industry & Handicraft
